IN RE: NETWORK ACCESS SOLUTIONS CORPORATION	DOCKET NO. TCU-99-43
---	----------------------

ORDER APPROVING WITHDRAWAL

(Issued May 4, 2001)

On December 13, 1999, the Utilities Board (Board) issued an order approving the application of Network Access Solutions Corporation (NASC) to provide local exchange service in Iowa. The order was issued in Docket No. TCU-99-43. The order stated that NASC was required to file proposed tariffs before it would be granted a certificate to provide local exchange service.

On May 2, 2001, NASC filed a request to withdraw its application. NASC stated that it is focusing its business on the provision of data services.

The Board finds that the withdrawal of the application is reasonable since NASC has indicated that it will be focusing its business on data services and therefore will not be offering voice local exchange service.

IT IS THEREFORE ORDERED:

The request to withdraw the application to provide local exchange service filed by Network Access Solutions Corporation on May 2, 2001, is approved.
